welcome to anleigh

special thanks

It has been fifteen years since we started this little faire that could. We started with one goal: To Inspire Imagination in the people who enter our gates. And after all this time, we see people bringing their kids to our faire that they attended when they were younger. This faire exists because of all of the amazing people who run it, who work it, who come and play within it. I couldn't be prouder of everyone you will meet on the field today, and the folks behind the scenes who keep it running smoothly, amidst the chaos. A special thank you to the other owners of Found Artifact Entertainment, Sam Negraval, Tom Sales, and Erin Van Yuga - without whom this faire would not be alive and thriving now. You may not have been here from year one, but you are certainly responsible for making it to year 100

Sincerely,

Daniel Greenwolf, Creative Director

fantastic stage shows

Keith Engle

Fiddler. Keith Engle bought an inexpensive fiddle on a whim one evening, and started taking violin lessons... and completely failed to catch the classical music bug. But soon afterwards he attended a Celtic festival where he got his first real exposure to live Irish

music, and discovered something he had been searching for his whole life without even knowing it. He focuses exclusively on the style of Irish music unique to the Slabh Luachra region, and frequently travels to Ireland to learn and perform.

Thom Fuewellrey

Wandering Bard. A half Half-Elf, half Half-Dwarf Bard, Thom Fuewellrey is a "classically-trained" purveyor of the Bardic arts, hailing from a time and place so distant that even he can't quite recall it. With a voice as rich as dwarven ale and a wit sharper

than most grocery store-brand cheeses, Thom roams the lands, spreading joy through songs, shenanigans, and a touch of mischief.

The Privy Pirate

Musical Commode-y. Crossbones McCoy has been a Surgeon and a Shantyman, but after being marooned by his crew, he's gone back to school to study the bathroom sciences. Rule Number One of Privy Piracy? Make sure the captive audience is fully entertained as they wait on the line. Rule Number Two? It's the same as Number One, it just takes longer. No stage is too small or smelly, so join him by the privies or on stage for "The ½ Hour Commode-y Hour" show!

July 4-5th & 11-12th Exclusively!

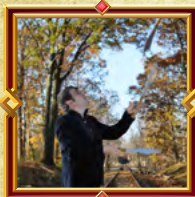

Crossbones McCoy & Captain Clyde: Music & Mayhem

Comedy (with Music). Captain Clyde (who's not a pirate) joins Crossbones McCoy for an unhinged comedy show (with Music.) Crossbones has been

abandoned by his crew, at a Renaissance Faire, wearing red. He's been Marooned! So has Captain Clyde, but he's wearing orange. Can the two navigate the loss of their bands through comedy and drinking...err singing drinking songs? And did Clyde really invent a Time Machine?!

July 4-5th & 11-12th Exclusively!

The Bad Ideas Variety Show

Juggling & Bad Ideas. Since 2014 Bad Idea Variety Show has been on the road traveling to Renaissance Faires showcasing "Better Entertainment Through Poor Life Choices" featuring juggling, magic, fire, bad ideas, and BUBBLES!

July 4-5th Exclusively

One for the Road

An Irish pub band with an awesome energy, "One for the Road" is made up of members formerly of "Three Pints Shy" who are carrying the tradition of their side-splitting comedy and musical brilliance into a new era.

there's more to explore!

vancier magibleu's conundrum

Vancier Magibleu is one of the most remarkable Magi in all the land, however he had one continuous issue: His Spell Crystal continues to get stolen. Rumored to either destroy 10,000 soldiers or create 10,000 cupcakes, it is understandable why it gets stolen each year.

Can you help him discover the culprit and get his spell crystal back? You'll need a keen eye and a clever wit to solve this mystery as clues to the identity of the culprit are littered about the festival. You must determine who stole the crystal, find Vancier (or his "Apprentices") at his Gazebo, and be rewarded for your efforts.

find the hats

- 🧙 Merchants around the realm have a sign with the Big Blue Hat on it.
- 🧙 The merchants will bestow upon the detective a letter.
- 🧙 Collect all the letters (some letters may repeat themselves) and unscramble them to uncover the culprit.
- 🧙 Be wary however, these letters may come at a price.
- 🧙 Remember at any time, Vancier and his "Apprentices" are available to assist at their Gazebo near the Tournament Field.
- 🧙 Once you have unscrambled the culprit seek out Vancier (or his "Apprentices") at his Gazebo to receive your reward.
- 🧙 Stay for Final Revels to help him unmask the villain.

vancier magibleu's conundrum

lillianna's lavenderspinner's hard mode

Lillianna has an additional task for those of 13 years or older (Or those of a younger age who think they are up for the harder task).

-  In this quest, Lillianna wants to know where the culprit hid Vancier's Crystal.
-  Seek out the citizens of the realm who wear the symbol of the purple hat upon them to find out where the item is not.
-  Please work on this at the same time as you search for the Blue hats.
-  Once you have narrowed the location down, bring BOTH the location and culprit's name back to the Gazebo in order to see if you have deducted correctly and receive your reward.
